TERRA Series

**Natuurlijk Mat.
Natuurlijk Waterdicht.**

TERRA Series

Authentic Touch

100% natural textures that fool the eye and comfort the feet. No plastic feel, just the warmth of wood.

Unmatched Durability

Waterproof, scratch-resistant, and silent. Built to withstand pets, kids, and everything in between.

Effortless Installation

Flexible solutions for every project. Whether you choose our user-friendly Click-system or Dryback range for maximum stability, we ensure a smooth, mess-free installation process with precision-engineered planks.

Water-proof

Easy to Install

Easy to Maintain

High heat-conductivity

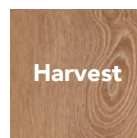

Formaldehyde-free

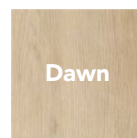

DATASHEET

Plank

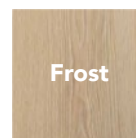

Totale dikte	5 mm
Slijtlaag	0,55 mm
Geluidsisolatie	55 dB
Brandklasse	Bfl-S1
Chemische bestendigheid (EN 423)	ja
UV-stabiliteit ISO 105-B02	>6
Antislip (DIN 51130)	R9
VOC-uitstoot	A+
Geïntegreerde ondervloer	ja
Dikte geïntegreerde ondervloer	1mm
Materiaal	SPC
Afschuining	4-zijdig, micro velling
Vloerverwarming/Vloerkoeling	ja, tot 27°C
Warmteoverdrachtscoëfficiënt	R=0,03m2 k/w
Installatiemethode	Vallinge 2G
